

**Terms valid June 1, 2016 – May 31, 2017*

9 MONTH BUDGET: First payment due by Sept. 30, 2016.

Budget your expense over ten months to make your payment as small as possible *and* receive the best budget price we will offer this year **-5 cents off per gallon** whenever you receive an automatic delivery!

All '15-'16 balances must be paid in full. Second through nine payments due on the 18th of each month. Late payment terminates this budget, pricing, and automatic delivery. *New* Budgets/Auto-Delivery Accounts must have approved credit application on file.

Budgets are estimated at a rate per gallon to plan for the typical winter increase. Your payment may be adjusted should prices vary significantly. **This plan does not cap or lock your price but discounts it.**

Budgets are available June through December. Plan payments increase as sign up month progresses.
